IRMA TOWN CEMETERY
SE 27-45-9-W4

The Irma Town Cemetery is a large, beautyfully kept cemetery serving the town of Irma and the surrounding district. It is located a half mile east of the town's grain elevators on the north side of Highway 14.

The first burial was in Aug 1915. There is no church affiliation.

The cemetery keeper is Don Creasy who owns the Creasy Agency. The burial registers have been as well-kept as the cemetery itself.

Additional information about the area and its people may be found in two historical books about the town of Irma. In addition, the Provincial Legislative library has microfilmed the Irma Newspaper in its entirety.

The gravemarkers, plot plan and burial records have been used to gather the information for this cemetery.

Many thanks to my parents and my grandmother for helping record the gravemarkers. there was a special interest in recording the Irma Town Cemetery as my family homesteaded in the area.

723 burials have been recorded in this cemetery to date.

ISLAY COMMUNITY CEMETERY
SE16-051-04 W4

'The Islay Cemetery is a small cemetery serving the town of Islay just east of Vermilion. The cemetery is located about a quarter of a mile east of the north end of Main Street.

'The first burial was in 1915 or '16. Although Sherman A. Fortner died in 1909, his remains were reinterred when the Islay cemetery opened. There is no church affiliation.

The cemetery keeper is Mr. D. Torrance, who owns the hardware store in Islay. Unfortunately, in 1976, Mr. Torrance lost his original store in a fire. The cemetery records, housed in the store, were also destroyed in the fire. With the help of the previous cemetery keeper, a plot plan was reconstructed. Almost all of the family owned plots were unidentified, but because of a large number of unmarked graves, not all the individual grave sites were identified. Some have been marked with the aid of a provincial grant. However, most future burials will occur in the new part of the cemetery.

'Mr. Torrance was very friendly and helpful and a short talk with him can bring out many memories of Islay. 'There'll Always Be an Islay' is a history of the town, written in diary style and is available at the University of Alberta Rutherford Library and the Historical Resources Library at Provincial Archives.

'Many thanks to my parents and my grandmother, whose family was from Islay, for helping to record the grave markers. Special thanks to Mr. Torrance who came out to the cemetery with us and provided invaluable assistance in our effort.

Linda Peterson
Cemetery Recorder

Recorded 15 July 1981.

Two hundred and seventy two burials have been identified for this recording.

Jarvie Catholic Cemeteries -- SW23-063-27 W4

The Village of Jarvie is located just off Highway #44 about 37 km (23 miles) north of Westlock. The first Catholic Cemetery in Jarvie, Christ the King Catholic Cemetery, is located behind "Our Lady of Lourdes" grotto in the churchyard of Christ the King Catholic Church. It was started in 1940 on land donated by Arthur Allarie who owned and operated the one successful General Store in Jarvie from 1924 until his death in 1960 (family members still serve the community today on the same premises). This cemetery was closed to further burials in 1953 in response to concerns that it was located too close to the town water wells.

The Jarvie Catholic Cemetery was established on a 2 acre site in the opposite corner of the same quarter section in 1953 on land also donated by the Allarie family. It can be reached from the centre of town by driving 3/4 mile north and turning right onto a little used short remaining section of the old Alcan Highway, constructed in the early '40s, and driving a half mile to the cemetery, on the right hand side. To reach it, coming from Westlock, turn left off Highway #44 at the first country road north of the Jarvie turn-off (same Alcan Highway), and proceed a half mile to the cemetery on the left hand side.

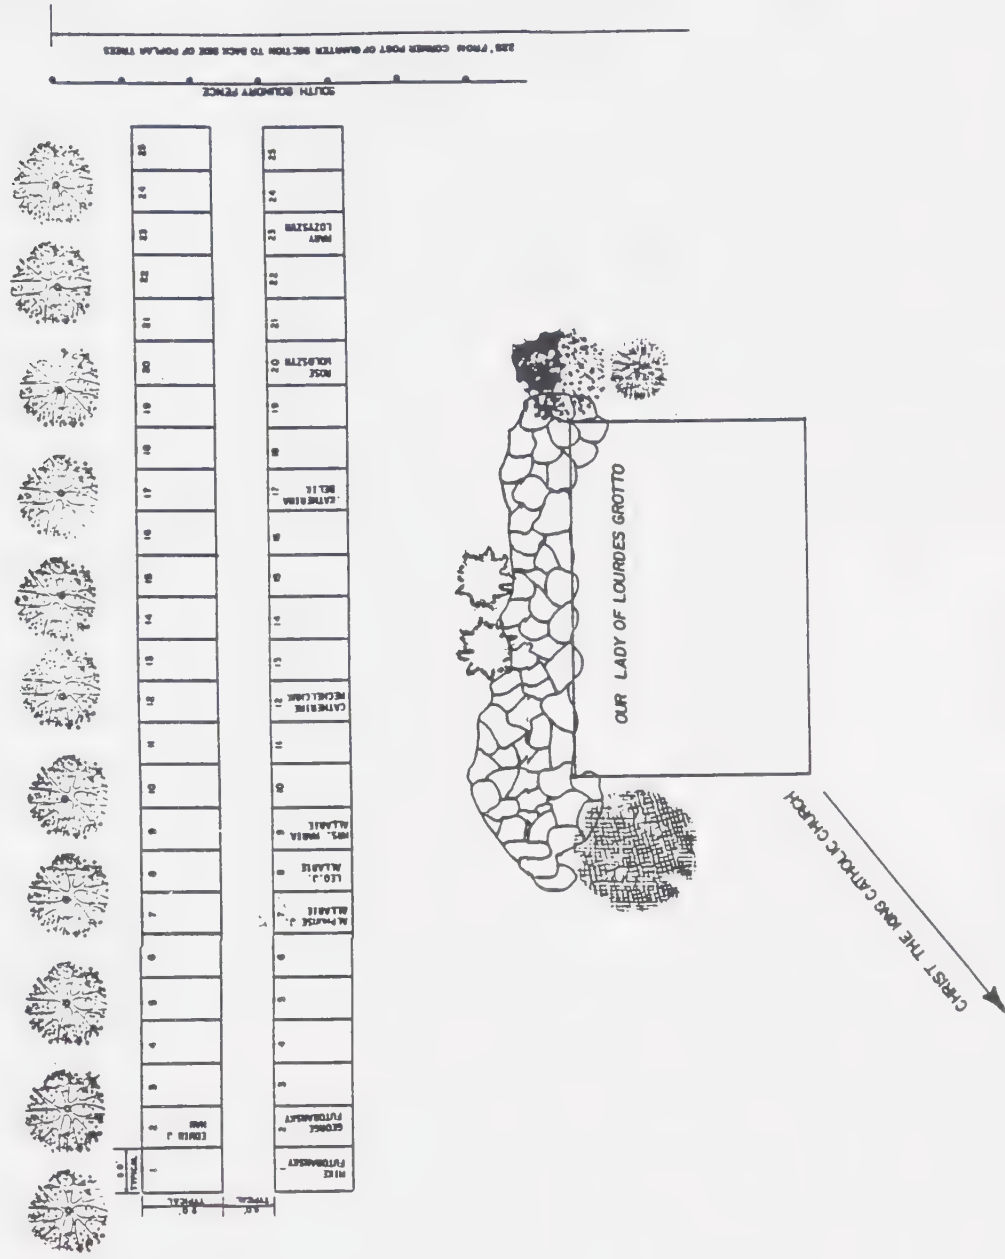

Since its establishment, Etienne Allarie, eldest son of Arthur and Marie Allarie, has maintained the records and plot plans and marked out grave sites. There is no set fee for plots. Families of the deceased make a donation, usually about \$100.00. The actual cemetery site is bordered on one side by a row of Cultivar Poplars, and on the other three sides, by mature Colorado Spruces. There are 152 plots on about 1/3 of an acre, with ample land for future needs. Parking space in front of the cemetery is grassed. An attractive sign close to the entrance was designed, constructed and donated by Ted Marshall of Jarvie prior to the 1984 Jarvie Reunion and History Book Presentation (which see for family histories).

This recording was completed in 1990 by John Beedle (A.G.S. #449) with the full co-operation of Etienne Allarie.

58 burials have been identified in the two cemeteries, and the information has been added to the Alberta Genealogical Society Master Data Bank.

JARVIE COMMUNITY CEMETERY -- NE11-63-27 W4

The hamlet of Jarvie is located just off Alberta Highway #44, about 35.5 km (22 miles) north of Westlock. The cemetery is located about 3/4 mile south of the Jarvie turn off, just west of Hwy 44.

The organization and maintainance of this well-kept cemetery has always been a source of community pride, under the leadership of the Lea family.

EXTRACTS FROM THE MINUTES OF THE JARVIE CEMETERY COMPANY:

28 December 1928:

A public organizational meeting held in the Jarvie U.F.A. Hall at 8:00 P.M. J. Ledger chaired the meeting. Mrs. H. Lea acted as secretary.

Motion by H. Lea, seconded by W. McRobb to organize the Jarvie Cemetery Company for the purpose of selecting a site and making arrangements regarding it. The following persons present each took a share of \$5.00 in the company: John Ledger, H. H. Lea, Wm. McRobb, Hugh Johnson, E. E. Crouser, L. R. Crouser, L. R. Newnham, James Armstrong, Mrs. H. H. Lea and Paul Crouser.

A motion by Mrs. H. H. Lea, seconded by E. Crouser that a site of two acres be selected on the school section (NE11-63-27 W4) was carried unanimously.

The following shareholders were elected as Directors: E. Beamish, Hugh Johnson and E. Crouser.

August 5, 1929:

H. H. Lea was appointed caretaker. The Homestead Inspector was instructed to place a valuation on the proposed site. (The Chairman reported that he had forwarded \$20.00, in advance.) Later the evaluation was given as \$10.00 per acre.

W. McRobb was appointed as Secretary-Treasurer. The Chairman asked the meeting to go on record that all revenue accruing from the sale of plots be used in improving and beautifying the cemetery, and that it not be commercialized in any way. An annual cemetery day was proposed for clean-up purposes. (This policy has continued for 58 years.)

January 31, 1930:

The Chairman handed the Secretary the Title Deed of the Cemetery, and also \$10.00 ballance of funds.

Sufficient posts for the fence, squared at 6"x6"x8', at a mill, were obtained by H. H. Lea and Paul Crouser in March 1933. Dobson Lea was appointed Cemetery Caretaker.

W. McRobb, the Secretary, died March 31, 1936. Dobson Lea took over as Secretary.

July 22, 1941:

Moved that double graves be sold for \$5.00. (Previously they were \$2.00 each.)

July 31, 1948:

Discussion re well and pump -- Mrs. P. Kzends offered to canvas for funds -- \$127.50 was collected, plus some money from the bank for a total \$149.00 paid for 35 foot bored well and a pump.

July 29, 1983:

Price of graves changed from \$5.00 to \$25.00 each.

\$1,200.00 was paid for 1.5 acres (3.5 acres in total). It was agreed that the land will continue to be used by the farmer until such time as required for cemetery.

This cemetery recording was completed in 1987 by John Beedle (A.G.S. #449), with the co-operation of Dobson Lea.

BETHANY LUTHERAN CEMETERY

NW ¼ Sec. 31 Twp. 54 Rge. 20 W4

This cemetery can be reached by travelling north-east of Edmonton on Highway 15 to Fort Saskatchewan, then east through Josephburg nine miles from Fort Saskatchewan, or four and one half miles east of Josephburg. The cemetery can be seen beside the road just past the Lutheran Church.

This was one of the churches that received a Provincial Grant of forty acres of land in 1905 because of having been organized in the year Alberta became a province.

Mr. Adolph W. Gabert is the present cemetery records keeper and has been gathering further data on burials where that is lacking. The records of the cemetery appear to be in good order. The cemetery is fenced, the grass cut and neat. Some of the headstone inscriptions are in old Gothic German Script and difficult to read without the help of someone familiar with that script.

The first burial is Richard Alfred Oberlander, 9 Jan. 1908. The last is Charlotte Henschell, 20 July 1981.

Other cemeteries in the area and direction and distances from the town of Josephburg are Good Hope - four miles south, one and one half miles east; Josephburg United Church of Christ (Reformed) Cemetery, north east corner of Josephburg; Calvert (Family), two miles east; Bruderheim Moravian, five and one half miles east, six miles north; and Bethlehem Lutheran, five and one-half miles east, six and one-half miles north.

For this recording we have not followed the original Plot Plan completely, and have divided the cemetery numbering the plots East and West.

GOOD HOPE CEMETERY

SE 1/4 Sec. 15 Twp. 54 Rge. 21 W4

From research data contributed by the Cemetery Recording Committee, Alberta Genealogical Society, (Edmonton Branch) and friends.

The cemetery is located north-east of Edmonton and can be reached by travelling on Highway 15 to Ft. Saskatchewan, then five miles east, to the east edge of the town of Josephburg, then four miles south and one and one half miles east.

Rev. Peter T. Ream in his book 'The Fort on the Saskatchewan' writes that this cemetery was started in 1909 on a portion of Robert Reid's farm. Robert Reid always said he would like to be buried on a little hill on part of his farm. His wishes were respected, and when he died on May 23, 1909, at the age of 68, he was buried there, the site in due course became the Good Hope Cemetery. The Good Hope Cemetery Company was incorporated officially January 20th, 1923.

The flat headstones were made by Mr. Moyer during the winter of 1978 and were later installed with the help of his father and friends.

The last burial recorded was Catherine MacKinnon, died Aug. 16, 1989, age 62 years.

The recording of this cemetery was done June 1981.

JOSEPHBURG UNITED CHURCH OF CHRIST (REFORMED CEMETERY)

SE 1/4 Sec. 4 Twp. 55 Rge. 2 W4

Researched by the Cemetery Recording Committee (Alberta Genealogical Society, Edmonton Branch), and friends, June 1982.

The cemetery is located on the north-east edge of the town of Josephburg, twenty-five miles north-east of Edmonton on Highway 15.

Some of the first settlers in this area were of German descent having arrived here in a roundabout way. Their ancestors originally came from the Rhine Provinces of Northern Germany when that country became part of Austria.

They were living in Galicia, Austria in 1887, where the entire area was over populated and land was scarce and hard to make a living. They had heard reports of land available in Canada. Several men were chosen to travel to Canada to look for new land. It seems George Becker (1830-1901), was one of those chosen. In 1887 at the age of fifty-seven he left Josefberg in Galicia, Austria in search of new land. On seeing the wide open spaces and unsettled land in the west, he wrote home to Austria and sent for his wife and family. It was then that approximately eighty-five families from Josefberg and a neighboring village Brigidau applied for immigration papers.

When they arrived in Canada in 1888 they first settled at Dunmore near Medicine Hat, Alberta. But with two crop failures, they arranged for Government assistance to find other suitable areas. Thus some families went to Neudorf, Saskatchewan, others to Spruce Grove, and those of the Reformed Faith split up, some going to the Glory Hills near Stony Plain and this group went to Josephburg. That was 1891 and the start of the influx of German families into this area.

By 1901 there were three separate denominational groups of German descent around Josephburg. A proposal was made and ultimately agreed that these groups unite and be called the Peace Reformed Church.

A change was made again in 1963 when the congregation officially accepted the name of the 'United Church of Christ'.

The land for the cemetery was donated by Jacob Hennig. Benjamin Simmons was the first burial in the cemetery. He came west in 1893 and homesteaded in the area until his death in 1897. He was not of the group that came from Austria, but was of the group of Parry Sounders. The Burial Register is looked after by Earl Mohr and starts with the burial of Katrina Berg, Dec. 8, 1909. The information of the earlier burials was taken from the Plot Plan and the inscriptions on the Markers at the Cemetery. The cemetery is fenced, the grass cut, and kept neat and in good order.

The last burial to be recorded is Katherine Taynya Waselenaik, Oct. 13, 1981 at age 78. Some of the inscriptions are in old German Script and difficult to read without the assistance of a person who has knowledge of that type of script.

Several books have been written about this area and its families. 'Josephburg Heritage' contains not only some of the history but also, the Genealogies of some of the families in the area. Mrs. Albert Mohr of Fort Saskatchewan has copies for sale.

Rev. Ream in his book 'The Fort on the Saskatchewan' describes the Josephburg history and quotes the Edmonton Bulletin on news items about the movement of the Colonists from Galicia to Dunmore and again from Dunmore to the areas around Edmonton. Also the book 'As the Roots Grow' the history of Spruce Grove and district briefly refers to the Colonists from Galicia and the families that settled in that area.

A plot plan has not been included with this cemetery recording because located near the center of the cemetery, housed and framed in glass is the cemetery's plot plan. The numbering system on the plot plan corresponds to the plot numbers used in this publication. Anyone visiting the cemetery can readily find the location of the burials.

This map shows the Vermilion, Minnesota area, including the Vermilion National Wildlife Refuge. The refuge is located near the town of Viking, which is circled on the map. The map displays a network of roads, including major highways like US-169 and MN-169, and numerous smaller roads. Key towns and villages shown include Vermilion, Wainwright, Killam, and Forestburg. The map also features several lakes, such as Vermilion Lake, Wainwright Lake, and Killam Lake, and rivers like the Vermilion River and the Minnesota River. A scale bar at the bottom indicates distances in miles.

LAKEVIEW - LAKE OLIVA CEMETERY
SW-30-47-11-W4

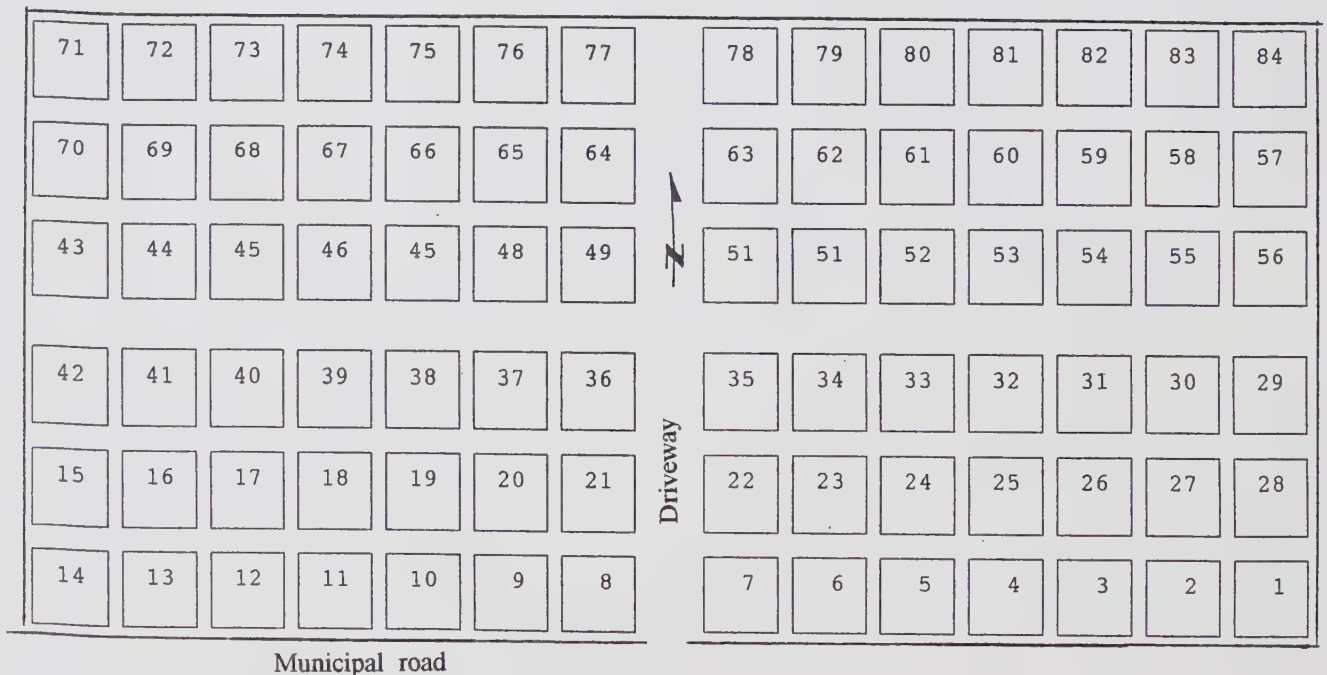

This cemetery locally known as Lakeview Cemetery (but registered as Lake Oliva) is located on the south shore of Lake Oliva, north west of Kinsella. From Kinsella, go west 4 miles on highway 14, then north 3 miles and 1/4 mile east. The cemetery is to the north of the road. The land was received from the old County of Lakeview in 1917.

This cemetery was recorded in the summer of 1993 by Peter & Rose Goutbeck, and Bill & Bertha Groot. The records of this cemetery were made available by the caretakers Mr. & Mrs. Warren Hodgins. A copy of the plot plan was also made available.

The first burial was Mrs. Ted (Lilly) Conger in April 1921, and last as recorded in this publication is Edward Osborne in March 1993.

Ninety two names of burials have been identified for this cemetery.

JARROW CEMETERY
NE-08-46-10-W4

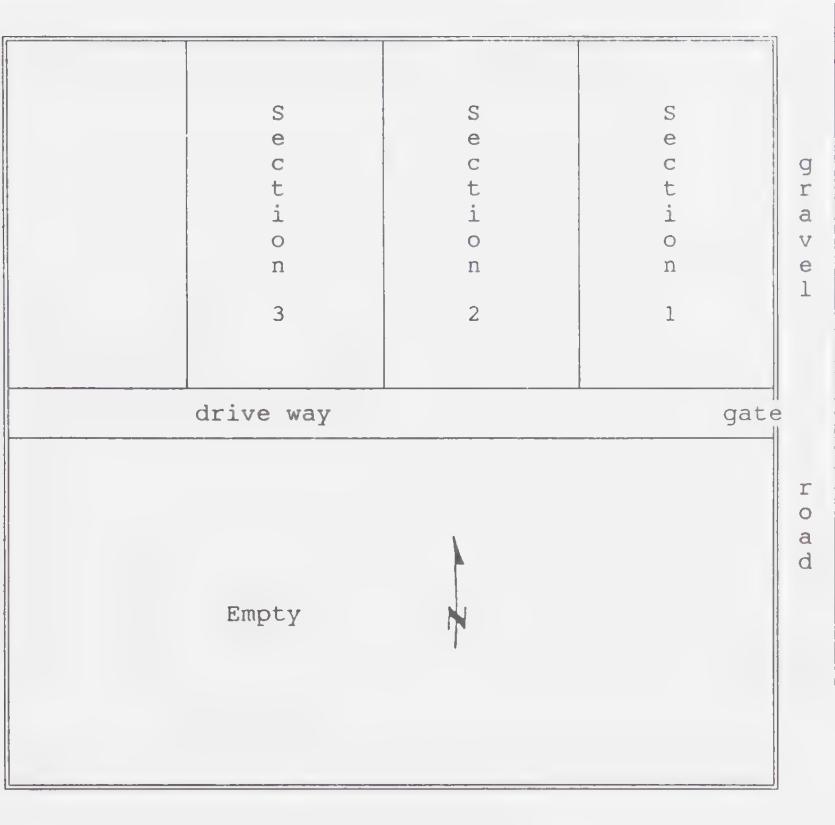

This cemetery is located south-east of Kinsella. Go 6 miles east on highway 14, then north for 1/2 a mile. The cemetery is on the west side of the municipal road.

It is not known if there ever was an earlier set of records and plot plans for this community cemetery. The present caretaker, Audry Burns, has a list of names apparently copied from the grave markers. The enclosed plot plan is from a sketch made at the time of the cemetery recording.

Peter & Rose Goutbeck and Bill & Bertha Groot recorded this cemetery in August 1993. The earliest recorded death is Anthony K. Carter, a baby, in 1921. Brenda Ronjom, February 1993, is last recorded for this publication.

One hundred names have been recorded.

Plot Plan (not drawn to scale)

KINSELLA GOD'S ACRE CEMETERY
NE-21-46-11-W4

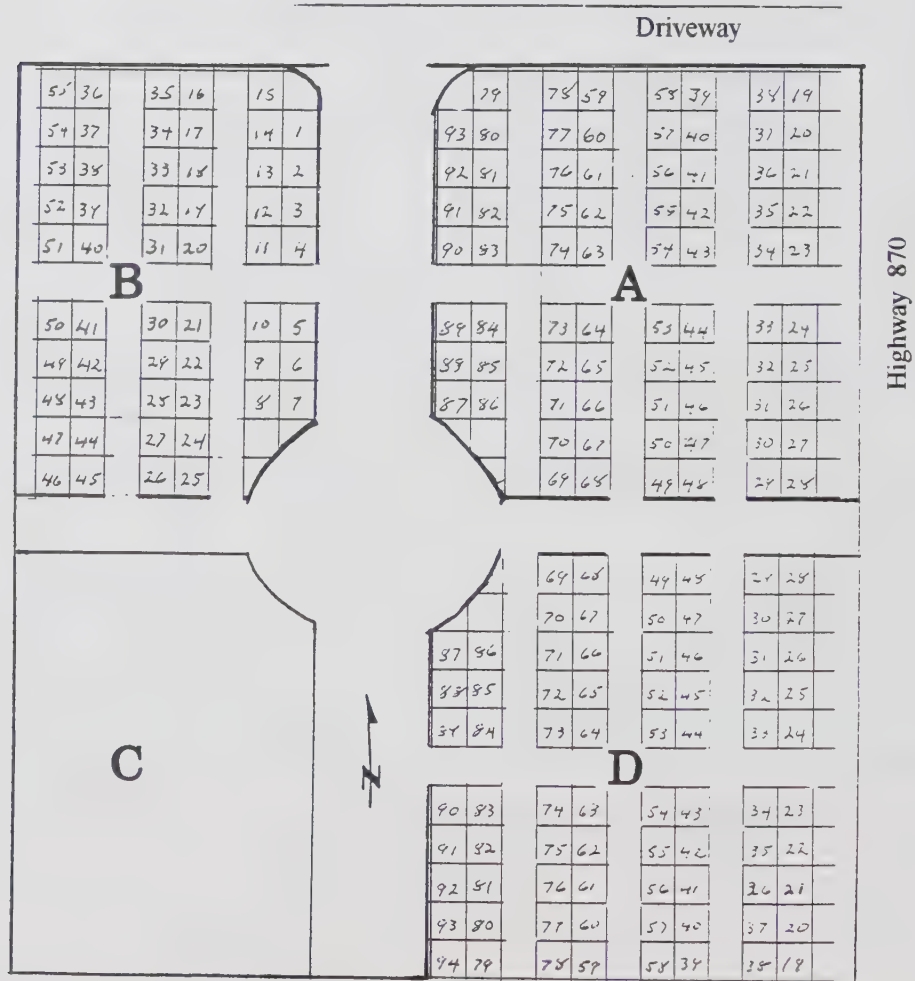

This well looked after cemetery is located about a mile south of Kinsella on highway 870. The cemetery is on the west side of the highway.

John W. Dougherty of Kinsella looks after the records. The records and plot plan were in good condition and information was copied for this publication. This cemetery was started in 1933, with the first death being that of William McMurray in March 1933.

The cemetery grave markers were recorded in August 1993 by Peter & Rose Goutbeck, and Bill & Bertha Groot.

One hundred eighty two burials are recorded for this publication.

Kitscoty is 141 miles (226 km) east of Edmonton, or 15 miles (24 km) west of Lloydminster at the Saskatchewan border. The town of Marwayne (population 516), is 12 miles (18 km) north of Kitscoty on highway # 897.

In 1992 several members of AGS, Edmonton Branch took to their campers and spent several days recording cemeteries in this area of Alberta. Those participating in this recording were: Peter & Rose Goutbeck, Larry & Joan Clark, Clarence & Jean Madill.

This is mainly a farming and ranching area, having been opened for settlement soon after 1900. Driving around the country from one cemetery to the next, one sees a variety of land ranging from the near level good farm land to the rolling grassy hills of the cattle ranches. There are lakes and sloughs used by the waterfowl - Ducks and Geese, used as stop-overs on their yearly migrations.

Now after the discovery of oil, wells with their pumps can be seen in the fields scattered throughout the area.

In this publication 16 cemeteries are recorded for a total of 2488 names of burials. These 16 cemeteries are found from close to the Battle River to the south, and north to a few miles north of the North Saskatchewan River. All are within the eastern part of the County of Vermilion River.

Various Local History books that may give more information about the people and the area are: "Forgotten Echoes" - Blackfoot & Area, "Village of Kitscoty" - Minute by Minute 1981, "West of the 4th" - Lloydminster area, "Our Golden Years" - Marwayne 1926 - 1976, "Pioneering the Parklands" - Marwayne, "The 49ers" - Kitscoty District.

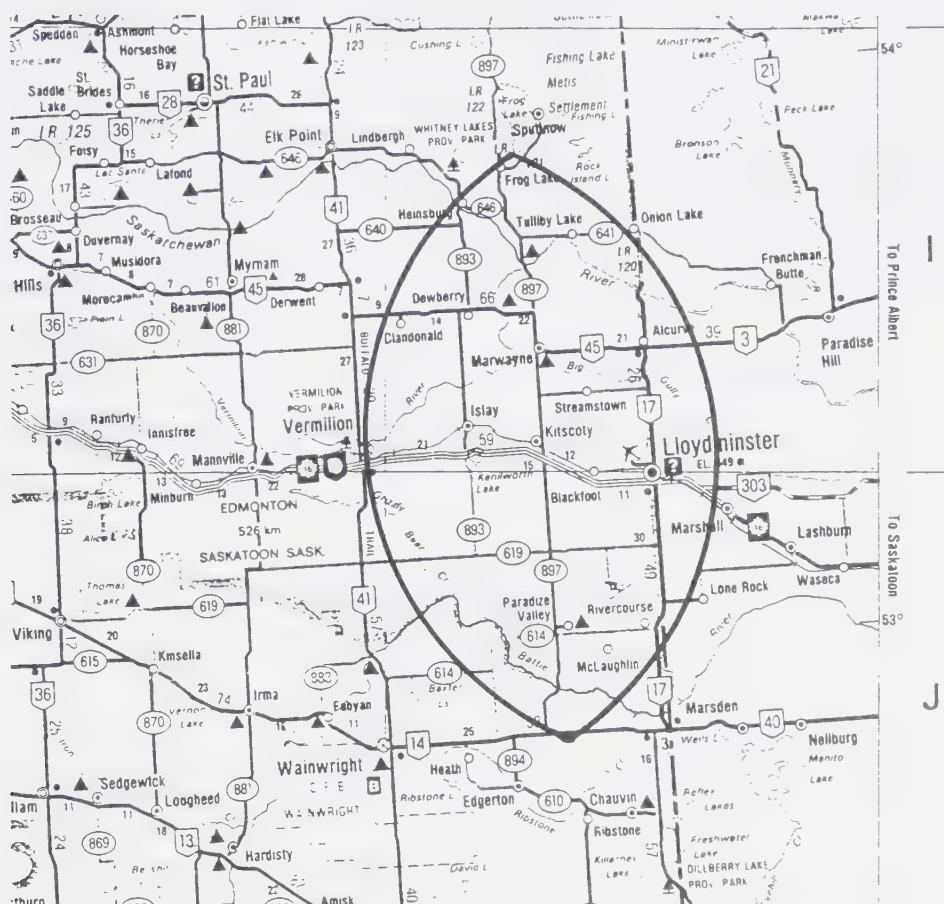

Other cemetery recordings published for the County of Vermilion River are:

Eleven Cemeteries Vermilion, Clandonald District, Key # **2018**.

The cemetery at Lloydminster is on the Saskatchewan side of the Border. We hope to someday also publish this in cooperation with the Border Branch of the Saskatchewan Genealogical Society.

ISLAY CEMETERY
SE-16-51-04-W4
Islay, AB

The Islay Cemetery came into being in February 1910 on the death of Dougal Jamieson. His grave was dug by Fred Bell, Dan Jamieson and Al Beecroft. The grave was later moved when the proper survey was made.

A work bee was held to clean-up the graveyard in the 1930's when stone corner posts and a stone gate were installed.

In the early 1940's Miss McKee (later Mrs Head), matron of the Islay hospital, arranged to have cement blocks with names located to identify the graves at that time.

The cemetery plan was later destroyed by fire but through the efforts of Dalton Torrance all graves were identified. Volunteers have since kept the cemetery in good shape.

ST. MONICA'S ANGLICAN CEMETERY
NE-28-40-22-W4

This cemetery is located in Block 50 of the village of Mirror, on the corner of Lake Street and Wade Avenue.

The church was built in 1895, a log building still being used for services. The cemetery has been inactive since 1914. Names on the grave markers are those of families who have lived in the area for many years. Burials since the church cemetery's closure have been in the Mirror Cemetery one mile north of the village along Highway 21.

Restoration work was done in 1976 with the assistance of a Government grant. The old wooden retaining wall was replaced with a concrete one. Also grave markers were cleaned and those that had fallen apart were cemented together. Some graves have chainlink fences and some still have flowers growing on them.

No church or cemetery records have been found for the 18 names recorded from the grave markers, including some maiden names of married women. The death dates on these range from 1903 to 1914. W. Jim Allan, member of AGS Edmonton Branch recorded this cemetery with help from Mrs. Jennie Oakey, in 1979.

FAIRVIEW (STONE) CEMETERY
SW-05-39-23-W4

The Fairview Cemetery, south-west of Alix, Alberta, is commonly known as the "Stone" Cemetery, being located on land donated in 1904 by Charles E. Stone. The community and area around is known as the Stone district, and was settled in the first years of this century. The cemetery is situated high on a hill overlooking the original Stone farm, with magnificent views on every side.

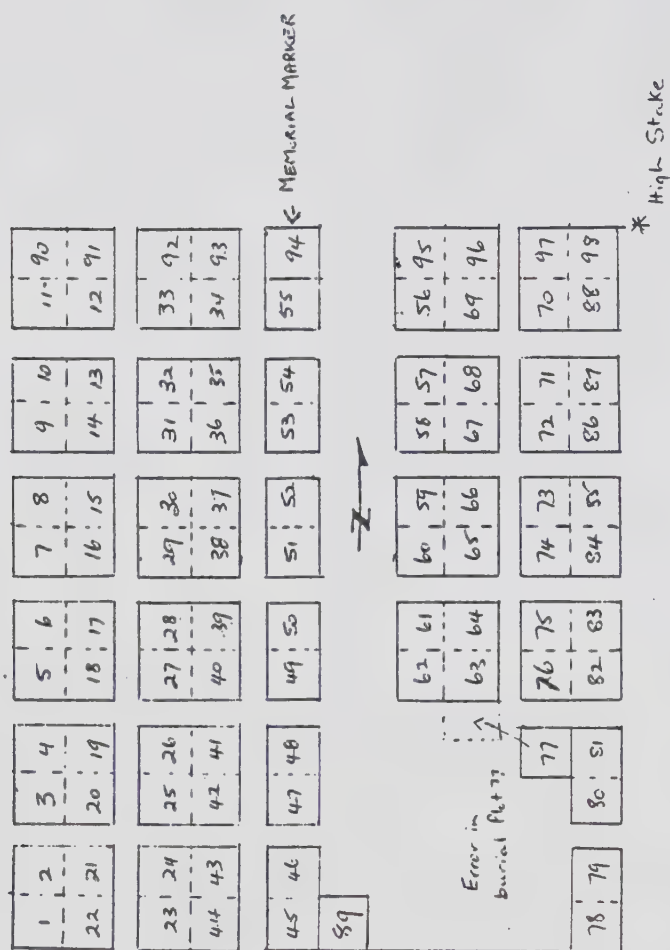

On the 12th of March 1904, a meeting was held in the Hopedale School, which was situated north-east of what is now Haynes, for the purpose of organizing a committee to lay out a graveyard to be named "Coalbank", on land donated by C.E. Stone. Officers were elected, and plan opted for the graveyard layout. Also accepted was the bid to "fence the area with three wires, good willow posts eight feet apart and well braced, laying out the ground according to plan, ground and road location and plots staked, and putting in wire gates". Cost of this to be \$30.00. Anyone making a payment of \$2.00 was entitled to a lot.

Throughout the years the cemetery has been maintained by members of the community, although in the early 1960's conditions had so deteriorated that meeting of public concern was held, whereat it was indicated that some financial assistance could be expected from the Municipality of Lacombe. In 1979-80 the cemetery, now registered with the Province as "Fairview", was granted a restoration grant of \$2,00, and the improvements that were so much needed, included an ironwork arch with the name on the graveyard, were made. Now in the 1980's, the cemetery is still well maintained by a community work bee held each year during the summer months.

FAIRVIEW (continued)

172 names of the Fairview (Stone) Cemetery was transcribed in July 1986 by Carol Wong and Barbara Walters, members of the Lacombe Genealogy Club and received by the Alberta Genealogical Society with thanks.

CLIVE CEMETERY
NW-32-40-24-W4

The Clive cemetery is located northeast of the village of Clive in the County of Lacombe. First you must travel to the Town of Lacombe on Highway 2A. Turn east on Highway 12 for a distance of 11 miles, 2 miles north, and then 1 mile east to the cemetery on your right. This route skirts the village on the west side of Clive.

A cemetery committee was formed in February 1909 by a resident of the settlement which at that time had the name of Valley City. A piece of land 26 rods square was bought for 20 dollars an acre - clearing included in the price. In 1911 the plots were surveyed at a cost of 26 dollars, and plots were sold locally to cover the cost of the survey. As a town in North Dakota was also named Valley City, a decision was made to change the name of the village to Clive, named after a founder and defender of British Dominions in India. In 1930 the land title was officially turned over to the village of Clive. The cemetery is now well maintained by members of the village and an effort has been made to place an information marker on each grave site.

Barbara Walters of the Lacombe Genealogy Club, has been instrumental in recording 430 names for this cemetery, including 2 entries for married women whose maiden names have also been recorded. Each plot has been designated by Block, Section, and Plot number, e.g. A,001,02 in that sequence.

According to the information gleaned, two early burials were Rena L. Rainy in August 1904, and in December of that same year Nellie Jane Reynolds. The most recent burial to the time of this recording was Roderick William McLeod in 1993. The recording of this cemetery was done in 1993.

Extensive coverage of the village and its early pioneer residents is found in a local history book entitled, "Pioneers and Progress", published in 1974 by the Alix - Clive History Club. There is a supplement called "Gleanings after Pioneers and Progress", c.1981. Both of these titles have been the source of some of the information recorded here.

MIRROR CEMETERY
SE-34-40-22-W4

The following report was complete up to 6th of July 1989. It was compiled by Charles Bird, Phillis Hunt, Ann Bird and Julia Bellamy of the Lacombe Genealogy Club.

The Mirror Cemetery is located on the east side of Highway 21, about a mile north-east of the town of Mirror. Early deaths of individuals of the district were buried in the St. Monica's Anglican Churchyard in the town of Mirror from 1902 to 1914. The first interment in the Mirror Cemetery occurred on 22 April 1911 when Eric Peter Bergner was buried.

Land for the Mirror Cemetery, a former School site, was donated in 1911 by a group called the "Lamerton Pioneers." Since 1980 the cemetery has been run by two members appointed by the Village of Mirror and the District Cemetery Board and two appointed by the County of Lacombe. The cemetery was expanded to the north about 1980 when Jim Murdock Negotiated the purchase of land from Grant Summerville.

Some of the graves have been dug by friends and relatives. Grave diggers in the 1930-40's were Angus Morrison and O.B.Cook. Graves are currently dug with a backhoe under the direction of Holts Bashaw Funeral Home.

Early caretakers of the Mirror Cemetery were Roy Bromley (1939), Women's Institute (1967-72), the Mirror Curling Club and George Ray (1972- 79), Lane Van Nieuwkerk (1985, 1988), and Allan Baird family (1986-87). The present caretaker is Del McKinley.

At least one person of the district has not been interred in either St. Monica's Anglican or the Mirror Cemetery. Louis E. Trefz was cremated. Some of the ashes were scattered where he lived (SW-03-41-22-W4) and the rest buried in a plot with the headstone in his yard.

Members of the Lacombe Genealogy Club did the recording of this cemetery in 1989 and identified 612 burials.

TEES CEMETERY (OLD & NEW)
SE-25-40-24-W4 & SW-30-40-23-W4

The Tees Cemetery lies to the immediate north-east of the Hamlet of Tees. It is on both sides of Highway 821 which runs north from highway 12. The "old" part of the cemetery lies to the west and the "new" on the east side of the Highway.

The land was originally Crown land. The first burial that of Clara (Craik) Johnson, wife of the first Presbyterian Minister, on 21st May 1905. However Mr. Wm. Stanchfield was actually the first recorded death in the district, but he was buried elsewhere, although later his remains were buried at the Tees Cemetery.

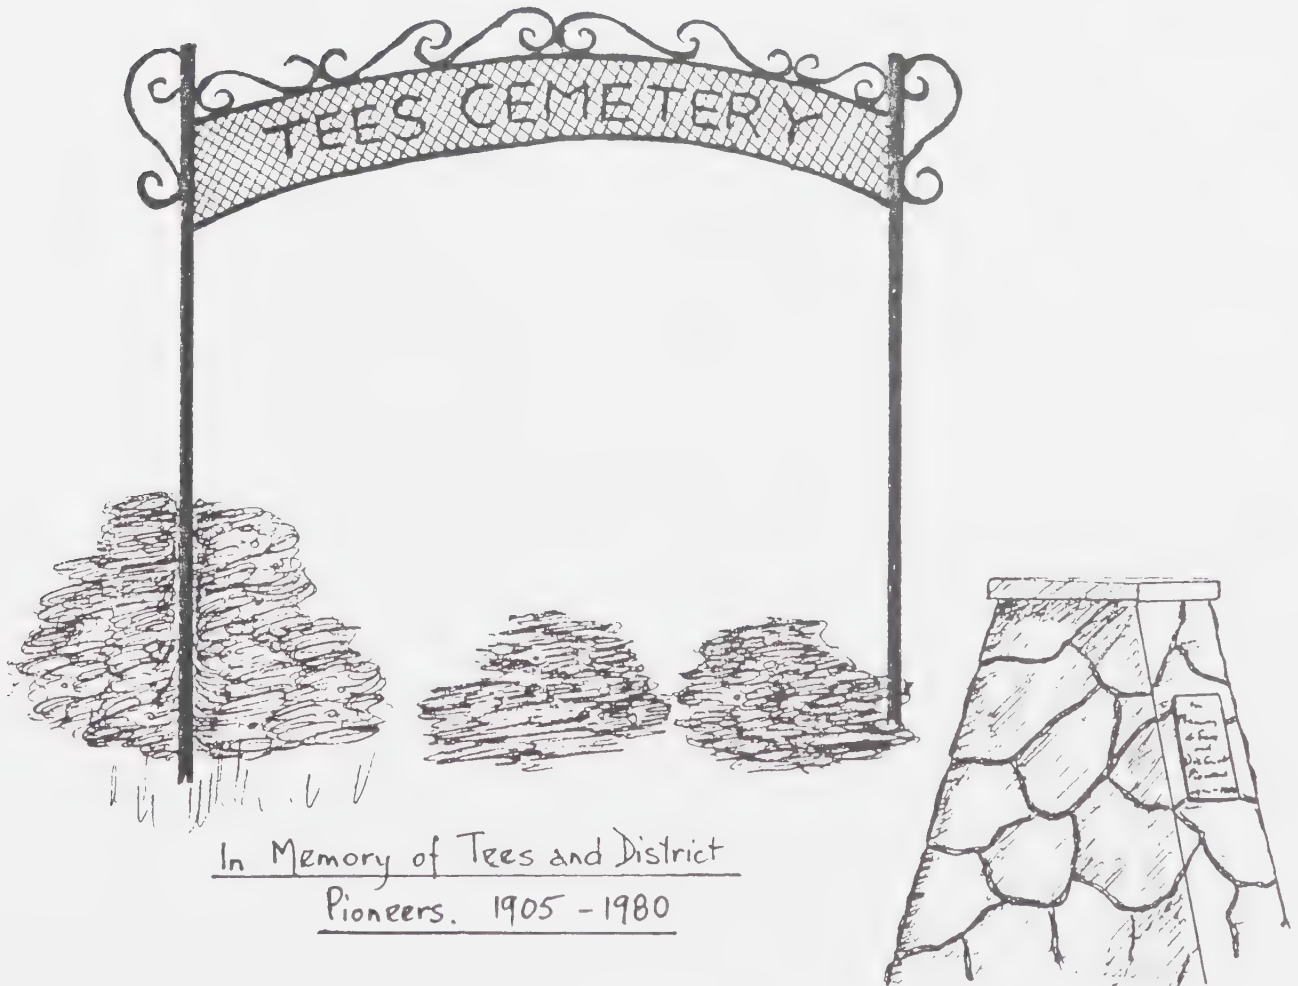

TEES (continued)

The cemetery is extremely well kept, chiefly through the efforts on the Board of Directors, who in the 80's have the assistance of the inmates of the local prison camp for jobs like mowing the grass. In the south-east corner of the old cemetery a wrought iron archway carries the name "Tees Cemetery," and there is also a fieldstone cairn erected in memory of local pioneers.

One notable feature of the cemetery is that the Board of Directors have for the past few years been installing flat granite slabs to indicate the grave of those burials with no markers. This project is now up to date.

The names of 170 burials have been recorded in this the old and new Tees Cemetery. The recording was done by the Lacombe Genealogy Club members Carol Wong and Barbara Walters in July 1989.

Further information of the area and the peoples may be found in the local history book "Land of the Lakes."

SARON LUTHERAN CEMETERY
 NW-18-41-24-W4

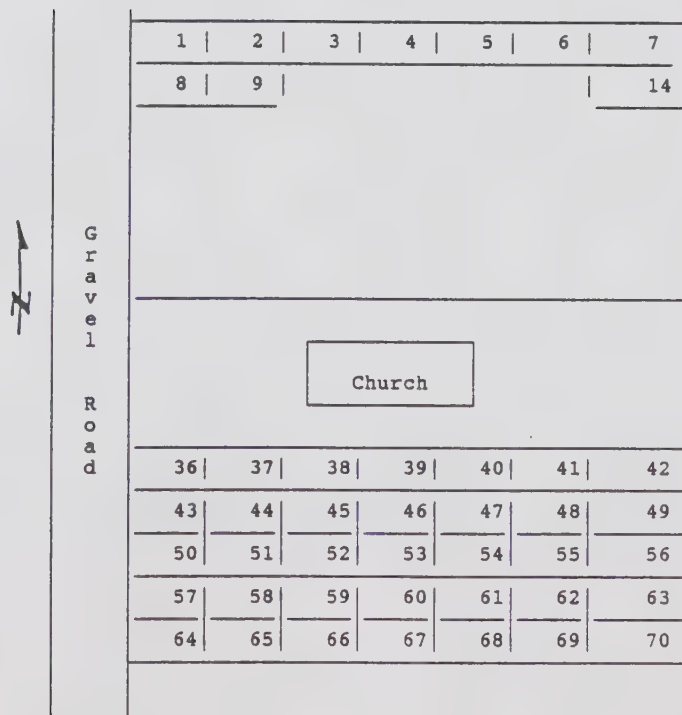

This cemetery is in the Westling district of the County of Lacombe, almost 5 miles north of the Village of Clive. It surrounds the white Scandinavian style wooden church and is maintained by the congregation. The church was erected in 1904 on three acres of land donated by Erick Westling. A plaque mounted on a large fieldstone boulder in the churchyard commemorates the pioneers who founded the church and community.

The first burial appears to be that of Anders Mattson who died in 1904. The last burial listed in this publication is that of Agnes Belmor in 1990. Unfortunately the burial records for the early years are missing, so there are no details of the older graves except for that which appears on the grave marker.

The original arrangement of the graveyard was that non-members of the church would be buried on the north side of the property and members on the south. But through marriage and other family situations this rule was not always applied.

The grave markers of this cemetery were transcribed in the summer of 1990 by Ehel Boe, Barbara Walters and Carol Wong of the Lacombe Genealogy Club.

Lacombe Fairview Cemetery

NW29-040-26 W4

Lacombe is located in the parkland of central Alberta where Highway 12 crosses Highway 2, about 25 km north of Red Deer.

The Lacombe Fairview Cemetery is located in the northern section of the village. The following history has been given to the Alberta Genealogical Society by the Lacombe Genealogy Club:

'Transcribing the records of the Lacombe Fairview Cemetery was completed in the fall of 1989. The project, undertaken by the Lacombe Genealogy Club, has been in progress for several years. All known records were consulted -- gravestones, plot plans, and town office records, some very old and long-forgotten until we pulled them out of storage.

'The cemetery is located on the northwest quarter of section 29, township 40, range 26, west of the fourth meridian, in an area now within the perimeter of the town. We have only a limited success in learning the early history of this cemetery. The earliest record available from the Land Titles Department is dated October 17, 1914. This document verifies the Town of Lacombe as legal owner of 40 acres in the location given above. A map of part of the old Municipal District of Crown shows the west half of section 29 as 'government land', so possibly the forty acre parcel had been a grant at some earlier date.

'Our research shows only about 18 burials before the turn of the century. The earliest documented is Jane Paul Glass, who died in December 1892, at the age of 61 years. Exactly one year later, Andrew Glass, probably her son, died at age 33. Others interred here before 1900 were individuals with the surnames of Alldridge, Dool, Hauser, Jamieson, Johnstone, Ledgerwood, McDougall, Nair, Proudfoot, Stickler, Willson, and Yeo.

'We acknowledge the possibility of error in our transcriptions, in spite of much proofing and cross-checking. It is feasible, also, that some very early burials were not recorded in any form available to us today. Certainly the nearly 4,000 entries accessible here will be of help to future genealogists.

'Note: In the instances where only town records are given, the dates are almost certainly burial dates rather than death dates.

The Alberta Genealogical Society is indebted to the Lacombe Genealogical Society for this large cemetery recording. 3912 burials have been identified.

LAMONT TOWN CEMETERY

SE¼ Sec.18 Twp.55 Rge 19 W4

The Town of Lamont is 50 km. north east of Edmonton on Highway 15.
The cemetery is located a half mile west and one mile south of the town.

Research on this cemetery was done in June 1982 by the Emonton Branch of the Alberta Genealogical Society. The records are at the Lamont Town Office. The Town Council minutes of May 17, 1912 record that a motion was made by E. D. Carter and seconded by C.A. Roach that two acres of ground be purchased from N. Swan for cemetery purposes.

The first burial recorded is that of Mabel Beatrice Harrison, June 13, 1912 and the last is Paul McAvoy in 1981.

The following apparent discrepancies should be noted. The Town staff indicated that the cemetery was inactive for a period from 1952 to 1974. The Burial Register also does not show any burials for this period, but at the cemetery, headstone inscriptions were found indicating burials for this period. Also the burial dates in the Register up to the year 1922 do not

follow in a chronological order.

The Town Plot Plan does not appear to match the actual location of some of the headstones.

For the purpose of this publication the plot plan to the left shows the locations where the grave markers found at the cemetery, the numbers corresponding to the numbers in brackets behind the burial names on the following pages.

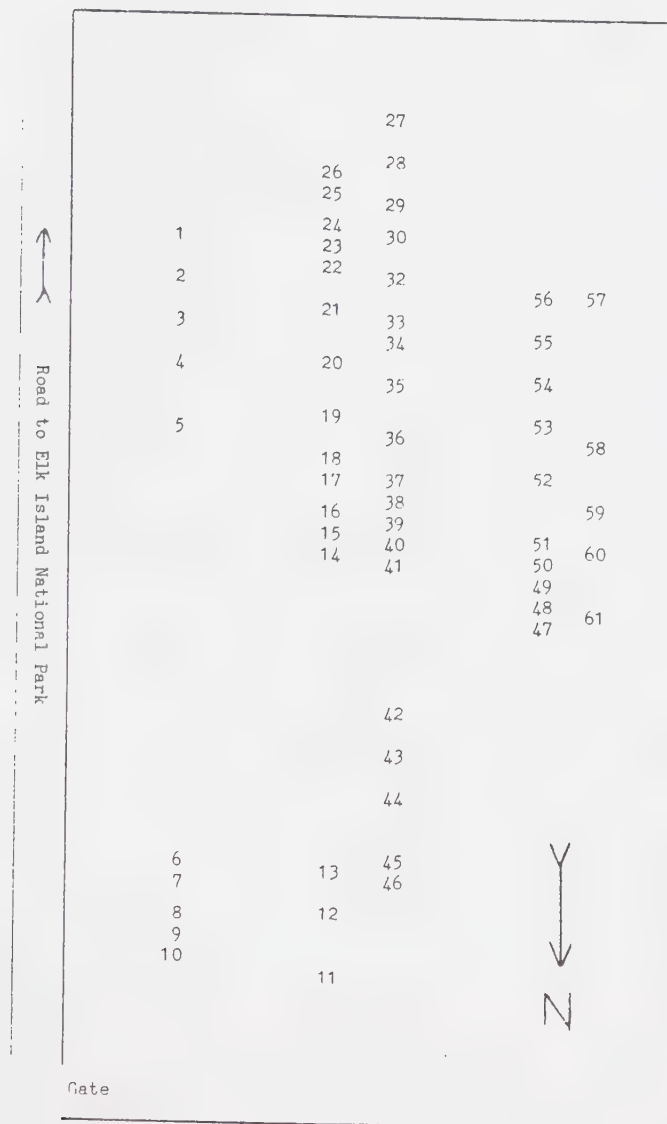

Where no number appears following a name, that information is from the Burial Register, only.

Other information about the area and the people may be found in the local history book "Along Victoria Trail", Lamont and District.

Other cemeteries in the area are Lamont United Church Hacket Cemetery located from the east side of Lamont one mile north, one mile west and a half mile north.

Ukrainian Greek Catholic of St. John the Baptist, on the east edge of the town, also Chipman United Church Cemetery (inactive), located from Chipman a half mile west and one mile north.

HACKETT CEMETERY

LAMONT UNITED CHURCH

S.E.¼ SEC.28-55-19-W4

Recorded September 1981 by members of the cemetery recording committee of the Edmonton Branch A.G.S.

The cemetery is located 1 mile north and 1 mile east, ½ mile north of the town of Lamont, 40 miles northeast of Edmonton on Highway 15.

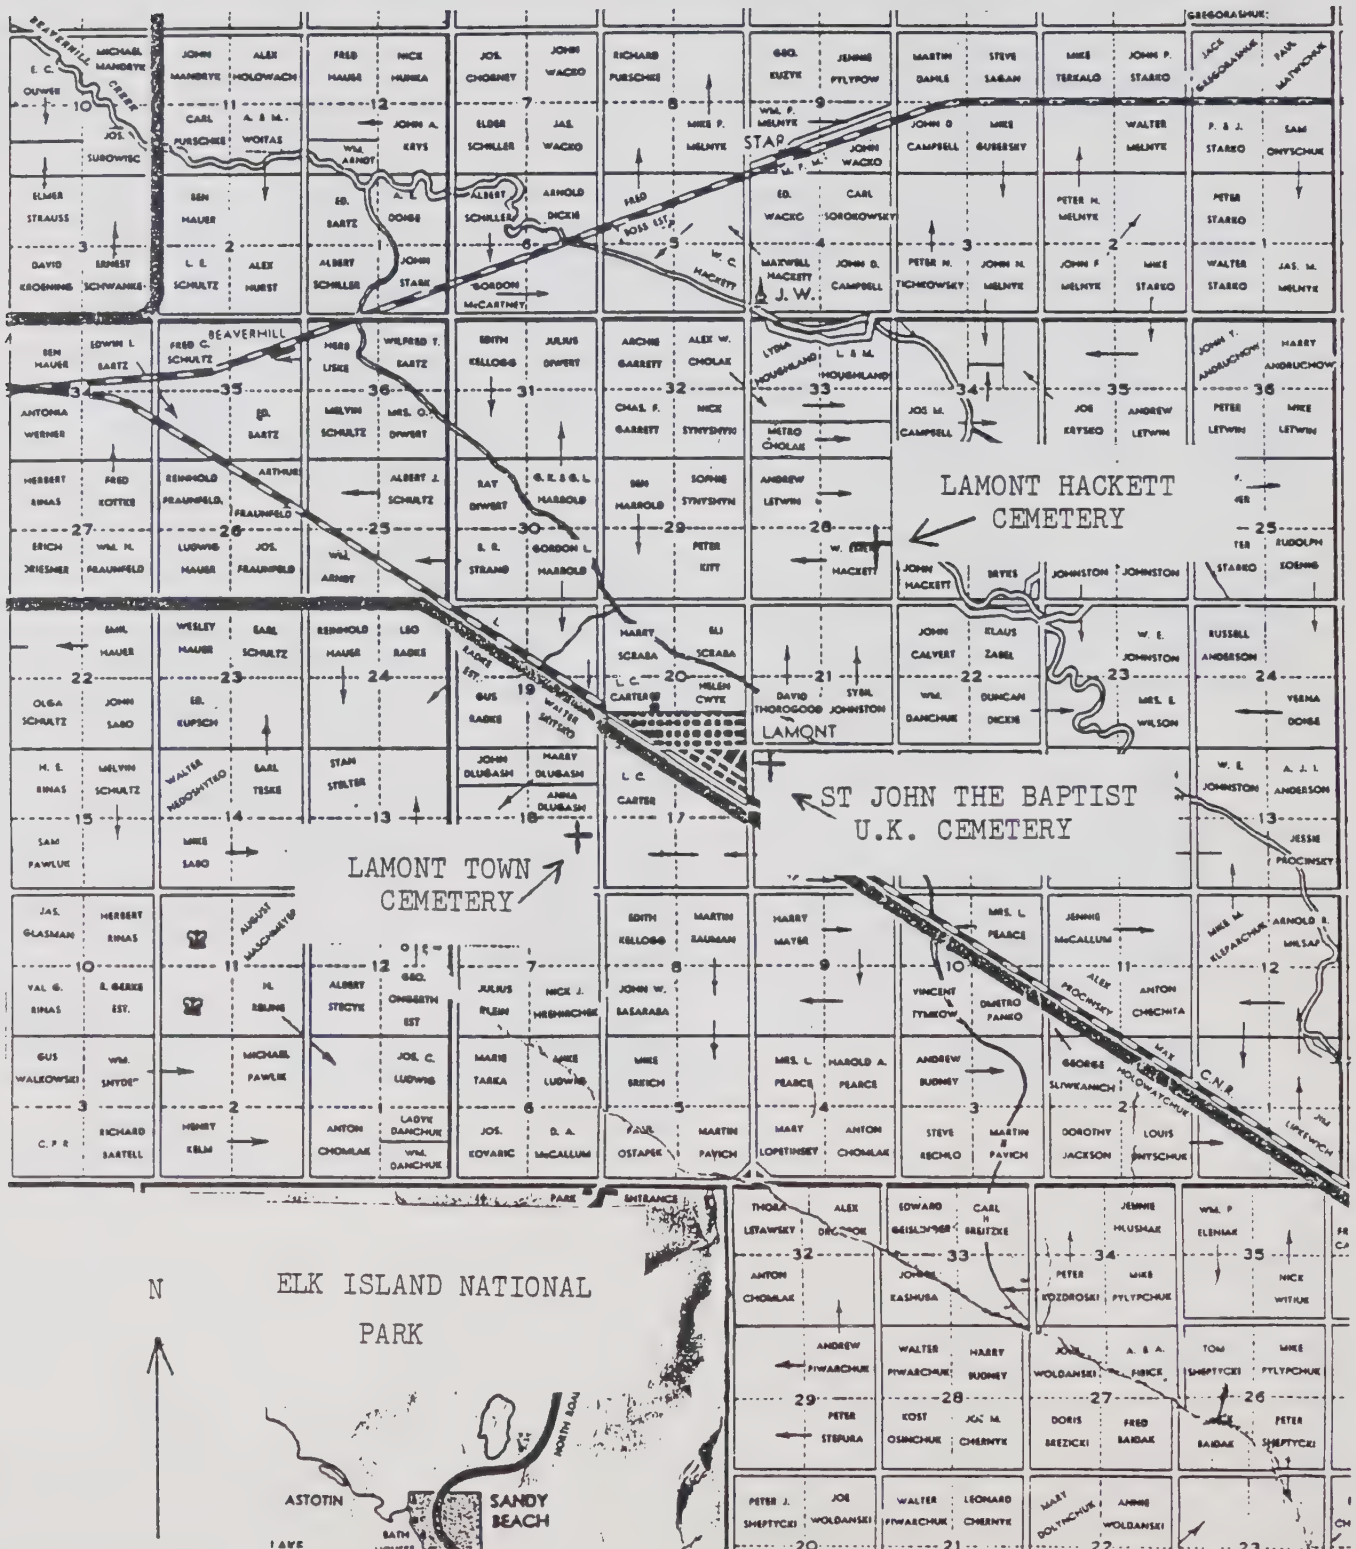

In May of 1889 Mrs. FRANCIS MILSAP NEE CATHERINE MCGEE passed away at the age of 68 after a short illness. She with her husband came west to Albert from SUNDRIDGE, ONTARIO in 1893 and took a homestead near their two youngest daughters MRS. JAMES HACKETT AND MRS. WILLIAM HACKETT who were already living in the district. There was no cemetery in the area at this time, so William Hackett set aside a small piece of land on his property for a cemetery, and his mother-in-law Mrs. Francis Milsap was the first internment. This small piece of land has been added to several times until in 1925 ownership of the cemetery was transferred to the Lamont United Church.

We have examined the records of the cemetery, they consist of a set of cards, one card being one lot which has space for four burials, on each card are listed the names of the burials. Apparently half of these also list the date of the burial and this has been incorporated in this publication only for those burials where the death is not known.

Other cemeteries in the area, locations from this cemetery are:

UKRAINIAN GREEK CATHOLIC OF ST. JOHN THE BAPTIST	½ mile south, 1 mile west, 1 mile south
LAMONT TOWN CEMETERY	½ mile south, 2 miles west, 1½ mile south
CHIPMAN CEMETERY	½ mile south, 2 miles east 3 miles south

Plan of the Municipal District of Lamont 1960 showing the cemetery locations near the Town of Lamont.

UKRAINIAN GREEK CATHOLIC PARISH OF ST. JOHN THE BAPTISTE CEMETERY

NW Sec. 16 Twp. 55 Rge. 19 W4

Lamont, Alberta

This cemetery is located on the East side of the Town of Lamont, forty miles (sixty-four Kilometers), North-East of Edmonton.

To reach the cemetery from Edmonton, take Highway 15 North-East, past Fort Saskatchewan and enter the Town of Lamont. Proceed to the East side of Lamont to 48 Street, then South to 50 Avenue, and the cemetery will be seen beside 48 Street.

It was June 1941 that land was purchased to establish a Ukrainian Catholic Church in this area. The Deep Creek School was purchased and moved to this property to be used as the first Church. In May 1942, Stephen Shunewich went for lumber for a new Church Building, and met with an accident, thus becoming the first burial in the cemetery.

The last burial is William Prokopchuk, Oct. 3, 1981.

Paul Nychka is the present cemetery caretaker having taken over the duties upon the death of John Letawsky.

The local History Book 'Lamont and District Along Victoria Trail' contains much information about the district and its people.

Other cemeteries in the area are:

Lamont Town	One mile West, one mile South
Lamont Hacket	One mile North, one mile East, one-half mile North
Chipman	Three and one-half miles South-East on Highway 15, one-quarter mile North

Several names on the Markers are in the Ukrainian Cyrillic and thus had to be translated for this publication.

The information on this cemetery is from research done by the Cemetery Recording Committee of the Alberta Genealogical Society, Edmonton Branch, and includes information from the Burial Register and the Markers at the Cemetery.

Old and New Sections

The Leduc Cemetery is located at the north east corner of the City of Leduc, at 44 Street and a little north of 53 Avenue. This cemetery is owned and operated by the City, with the upkeep being looked after by the City of Leduc Engineering and Environmental Services Department. This cemetery is on both sides of 44th street, the old east side was originally donated to the Village of Leduc in 1901 or 1902. The west side of the street has the new section of the cemetery. Featherstonhaugh is the family surname of the donator of the old east section.

Claude Reginald Featherstonhaugh and his sister Minnie Jane Featherstonhaugh were the first to be buried on this property. Claude died 26 January 1899. His death was the result of an accident when he was dragged by a horse he was leading to water at Telford Lake. Claude was about nine or ten years old. An earlier death is listed in this publication, that of Isabel J. Alexander, a baby, 16 September 1894. Probably interred here later after the cemetery opened.

Minnie Jane Featherstonhaugh was buried alongside of Claude about 1901. Sometime later tombstones were placed over their graves.

Early records state that the Cemetery was operated by a Cemetery Company but no record seems to be available as to when the tax payers (Village) became involved. The original cemetery book shows the names of persons who purchased grave lots, 1907 being the year when these purchases were made. There is one notation of a grave being paid for in 1904.

Among the files is a letter and a small sketch Mr. Geo. A. Featherstonhaugh sent to a Mr. Leo Gaetz in 1971. This shows grave 17 in the Pansy Section and could be the childrens graves referred to above. The City records show this as "unknown". These burials were made before the cemetery plots were surveyed and numbered.

The old east cemetery was laid out in 4 sections. Each section had a name; these were Pansy, Claudeville, Rose and Lilly. The land for the new west cemetery was purchased from Mrs. Moburg, and started in November 1978.

The cemetery grave markers were recorded by members of AGS, Edmonton Branch, in the summer of 1988. Information in this publication shows that 40 burials took place in this cemetery in 1988. Mrs. Sandra Villettard compiled all the information from the grave markers, Leduc City records and plot plans. We owe many thanks to the Leduc City and Cemetery staff for providing Mrs. Villettard with the necessary information to complete this work.

One thousand two hundred fifty seven names are recorded in this publication.

ST. PATRICK'S CEMETERY

LETHBRIDGE, ALBERTA.

NW 6-9-21 W4

St. Patrick's Cemetery is located at the west end of Sixth Avenue North. (Turn off Stafford Drive on Sixth Avenue.) Within the fence are several cemeteries, one of which is a Chinese Cemetery. This one was not recorded because of the lack of knowledge in the Lethbridge Branch regarding Chinese writing.

The newer sections of the cemetery (Sections A,B,C,D and E) had plot plans. The numbering on these plans has been followed for row and plot numbers.

The older sections have been labeled Old NW and Old NE (abbreviated ONW and ONE). No plot plans are available for these sections. Many of the markers in this section were wooden, and have long since disappeared. Some of those remaining are unreadable. The numbering for these sections is done only by the markers that were left. (See attached map of the old sections.)

The old section was known to some people as the miners' cemetery. Lethbridge was originally called "Coalbanks" and was a mining community. Many of the inscriptions are in foreign languages.

St. Patrick's Cemetery was associated with St. Patrick's Parish, which was the first Catholic Parish in the area. In "St. Patrick's Church, Highlights of Our Beginning, Our Growth, 1873 - 1973" mention is made that Bishop Fafard OMI visited Lethbridge to bless the old St. Patrick's Cemetery.

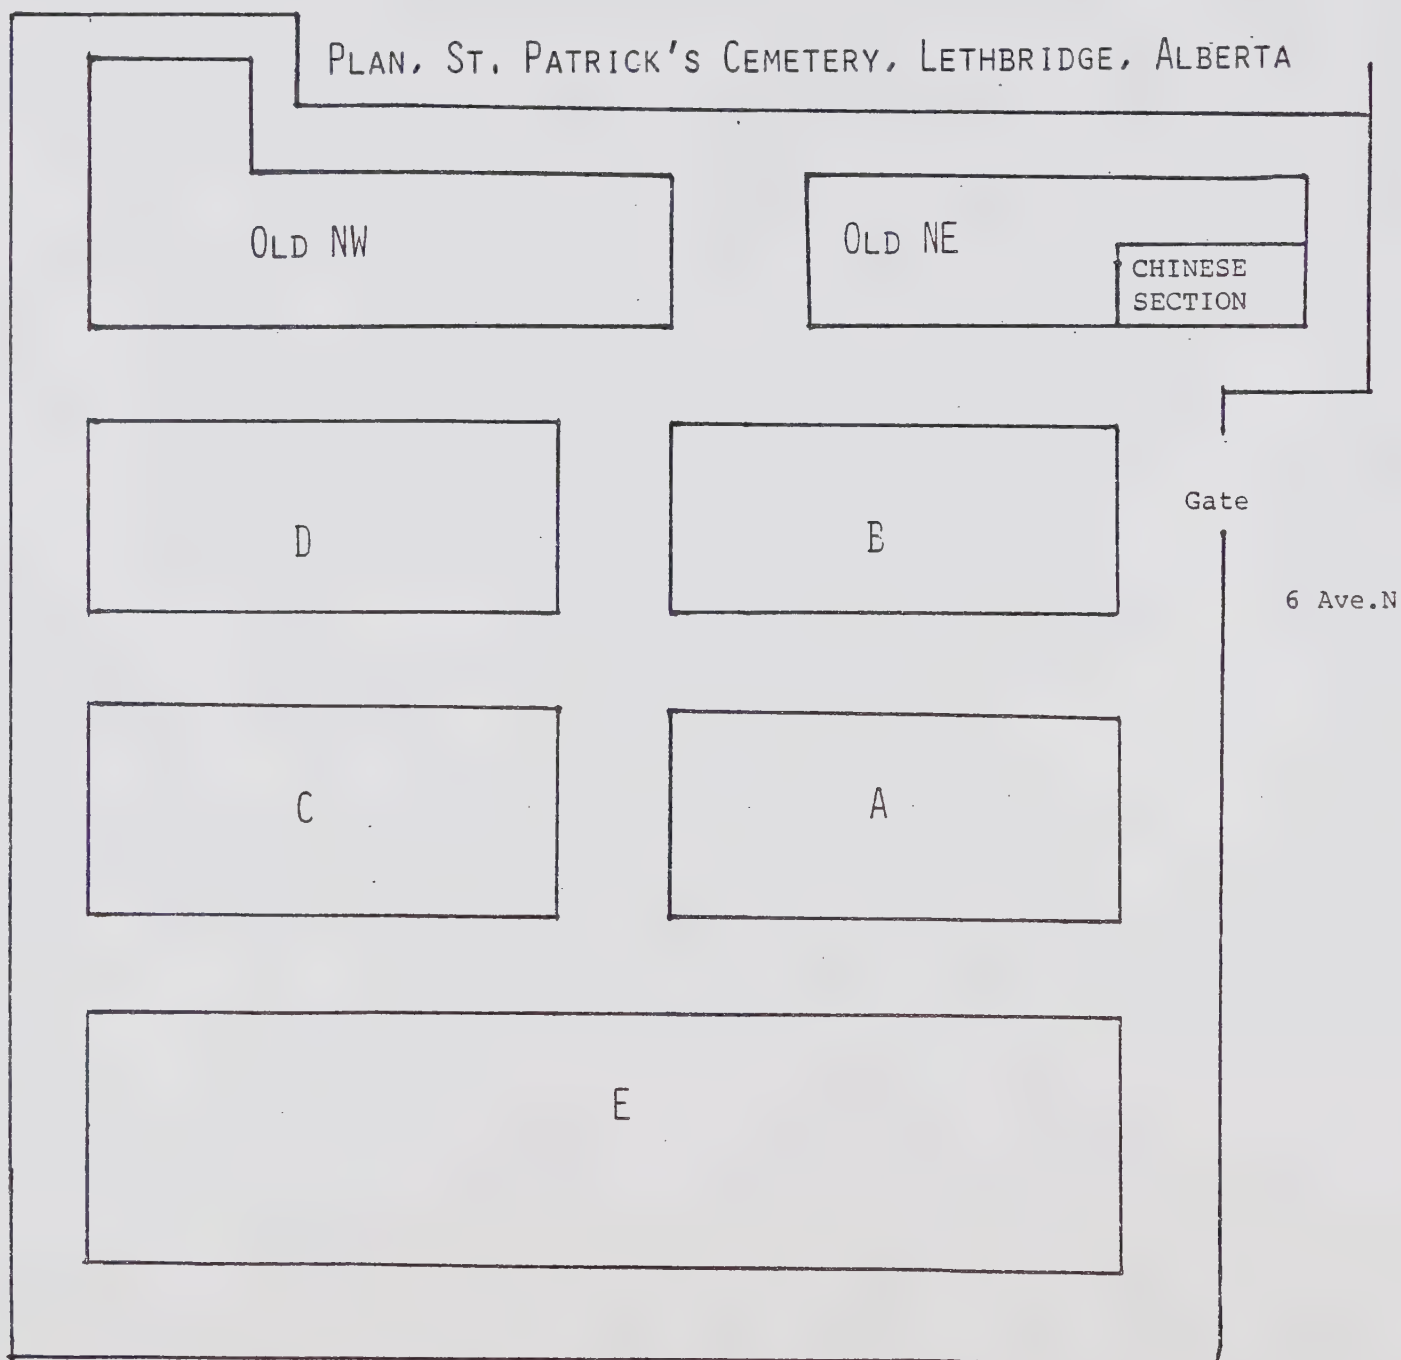

The cemetery has more recently been taken over by the City of Lethbridge. It was not well looked after for many years. In 1961 there was a project to straighten it up. A monument between the old sections read as follows:

1885 - 1910
IN MEMORIUM
In Memory of those
who were laid to rest
In This Cemetery Prior
to 1910 A.D.
Erected by
Lethbridge and District
Old Timers Pemmican Club
Assisted by
Room 21 Hamilton Jr.
High School
June 1961.

Stones were repaired and the grounds were cleaned up and the cemetery is now well kept up. Stones that were broken up and could not be repaired were thrown into the coulee. These were checked for inscriptions but none were found.

In typing up the inscriptions we have taken them exactly as found. There is a slash (/) between the lines as they were written. We did not, however, follow the capitalization. We have capitalized the name that appears to be the surname. In some cases, where it is hard to tell which is the surname we have indexed both names on the stone. The maiden names are also indexed.

This recording was done between June 1978 and October 1979 by members and friends of the Lethbridge Branch, Alberta Genealogical Society, under the direction of Mary Bole.

Not drawn to scale.

STIRLING CEMETERY

W 32-6-9-W4

This cemetery is located just outside the village of Stirling, at the end of First Avenue and Eighth Street.

The first burial was in 1899.

The cemetery was recorded in June 1982 by members and friends of the Lethbridge Branch of the Alberta Genealogical Society, under the direction of Dr. Hans-Henning Muendel and Mrs. Monta Salmon.

The plot plan was kindly supplied by the Village of Stirling, whose numbering system has been followed.

In the following recording, the inscription on the grave markers is listed first, and has been supplemented with information gained from other sources as follows:

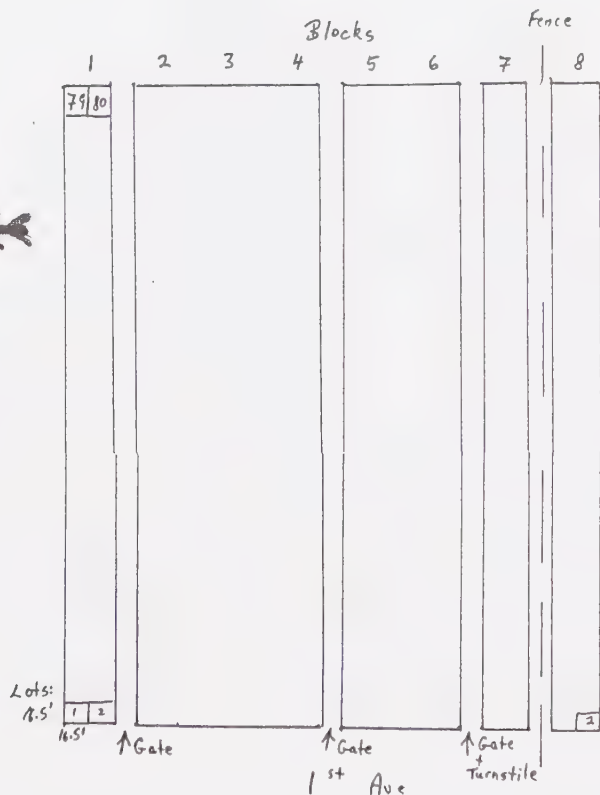

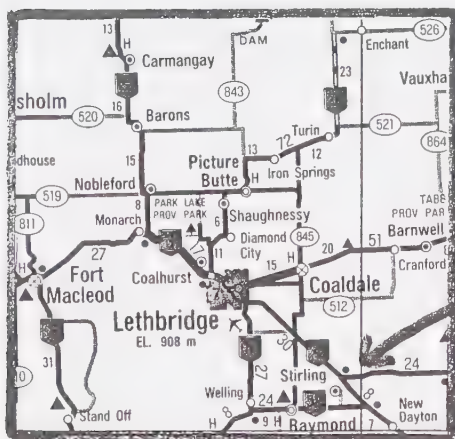

- plot plans
- some genealogical cards made for each burial up to about 1930 (also recorded by Monta Salmon).
- taken from L.D.S. Ward Records.

Information from other sources has been added if it gives further information, or differs from the grave stone inscription.

ST. MARK'S CEMETERY LINARIA
SW-25-61-2-W5

This cemetery, located twelve miles west and ten miles north of Westlock, is a community cemetery with no church affiliation.

The land for the cemetery was donated by the Baqgett family to provide a family plot for the burial of Joseph Baqgett in 1925.

The cemetery was originally named Mark's by the Baqgett family in honor of their son Mark who was killed in action in the first world war. Later when the cemetery was registered it was registered as St. Mark's Cemetery.

The burial register of the cemetery appears to start at a later date (1931) and does not list some of the earlier burials.

Percey Smith, the caretaker, keeps the cemetery in good order as he also does the records.

Further information about the area and its people may be found in the local history book "Memories of Pibroch, Sunniebend, Linaria, Shoal Creek; 1900 - 1984".

The research on this cemetery was done by Rose and Peter Goutbeck and includes information from the grave markers, plot plan, burial records and conversations with area residents.

112 burials have been recorded in this cemetery to date (1984).
